Submitted to His Highness.

These papers relate to a petition presented to His Highness during his tour in the Bangalore District by one Kariyappa an Adi, Karnataka by caste.

The representation of the petitioner is to the effect that he is continuing his studies in the Middle School, Magadi that the amount of his scholarship is barely sufficient for clothing and books required by him and that the rate of scholarship may be enhanced so as to cover at least a portion of the cost of maintenance.

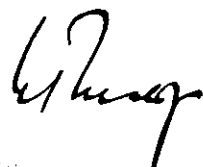

The Inspector-General of Education to whom the petition was referred, reports that the rate of Depressed class scholarships admissible under the rules in the second year Middle School class viz: Rs.1/- per mensem, is higher than that of the scholarships of corresponding grade under Backward class, Mahomedan or Military scholarships scheme and that though the petitioner, who is a third year student (having failed twice in the second year Middle School class) is not ordinarily entitled to a scholarship, he will be given one, as a special case, at the usual rate out of the provision for Depressed Class scholarships from the additional lumpsum allotment of Rs.8,000 in the current year's budget for Backward Class scholarships. The Inspector General of Education will be requested to issue to the petitioner an endorsement in terms of his report.

The papers are submitted for the gracious perusal of His Highness.
